

PERFORMANCE EVALUATION POLICY

1. Purpose

The Nominations and Remuneration Committee will arrange a performance evaluation of the Board, its Committees and its individual Directors on an annual basis. To assist in this process an independent advisor may be used.

2. Review

The Nominations and Remuneration Committee will conduct an annual review of the role of the Board, assess the performance of the Board over the previous 12 months and examine ways of assisting the Board in performing its duties more effectively.

The review will include:

- (a) comparing the performance of the Board with the requirements of its Charter;
- (b) examination of the Board's interaction with management;
- (c) the nature of information provided to the Board by management; and
- (d) management's performance in assisting the Board to meet its objectives.

A similar review will be conducted for each Committee (where applicable) with the aim of assessing the performance of each Committee and identifying areas where improvements can be made.

3. Performance Evaluation of Managing Director

The Nominations and Remuneration Committee will oversee the performance evaluation of the Managing Director on an annual basis. This evaluation is based on specific criteria, including the business performance of the Company and its subsidiaries, whether strategic objectives are being achieved and the development of management and personnel.
